Looking for your own marketing pieces?

direct mail

Targeted campaigns help with recruitment & retention

We've worked with Leona to develop well designed targeted direct mail campaigns for many of their schools.

In most cases for direct mail, we went with oversized postcards that utilized QR codes that linked to recruitment landing pages.

Maximize impact with full color printing

Multiple Sizes Available | Lightweight | Simple Setup | High Quality

Call Pixa! 480.380.2201

oh, hey there!

We'd like to introduce ourself ... or should we say selves?
Pixa is actually split into two mini brands, Pixa Creative & Pixa Direct.

Two is better than one, right? We like to think so.

Our super skilled marketing team that combines talented design with innovation and execution.
